## **Independent Auditors' Report (free translation<sup>1</sup>)**

To the shareholders of  
S.N. Nuclearelectrica S.A.

### **Report on the Consolidated Financial Statements**

1 We have audited the accompanying consolidated financial statements of S.N. Nuclearelectrica S.A. ("the Company") and its subsidiary EnergoNuclear S.A. (together "the Group"), which comprise the consolidated statement of financial position as at 31 December 2013, the consolidated income statement, the consolidated statements of comprehensive income, changes in equity and cash flows for the year then ended, and notes, comprising a summary of significant accounting policies and other explanatory information.

#### *Management's Responsibility for the Consolidated Financial Statements*

2 Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with International Financial Reporting Standards as endorsed by the European Union and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

#### *Auditors' Responsibility*

3 Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing as adopted by the Chamber of Financial Auditors of Romania. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance whether the consolidated financial statements are free from material misstatement.

4 An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

- 5 We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

#### *Basis for Qualified Opinion*

- 6 As described in Note 5 to the accompanying consolidated financial statements, as at 31 December 2013 the Group has property, plant and equipment with a carrying value of RON 273,960,000 (RON 292,254,000 as at 31 December 2012) consisting of Nuclear Power Plant Units 3 and 4 of CNE Cernavoda. Prior to 1991, Nuclear Power Plant Units 1, 2, 3, 4 and 5 were considered a single project and therefore, construction costs incurred were not allocated to each unit on a separate basis. Subsequently, the Group performed an allocation of these costs to Nuclear Power Plant Units 3 and 4. We were unable to obtain sufficient appropriate audit evidence both as at 31 December 2013 and 31 December 2012 about the accuracy of this allocation which impacts the valuation of these assets. These limitations also apply to the related deferred tax liability of RON 43,524,186 as at 31 December 2013 (RON 32,149,000 as at 31 December 2012). Our audit opinion on the consolidated financial statements as at and for the year ended 31 December 2012 was modified accordingly. Consequently, we were unable to determine whether adjustments might be necessary to property, plant and equipment, deferred tax liability and retained earnings as at 31 December 2013 and 31 December 2012 and to depreciation and amortisation, income tax expense and profit for the years then ended.

#### *Qualified Opinion*

- 7 In our opinion, except for the possible effects of the matter described in paragraph 6, the consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Group as at 31 December 2013 and its consolidated financial performance and its consolidated cash flows for the year then ended in accordance with International Financial Reporting Standards as endorsed by the European Union.

#### *Emphasis of Matter*

- 8 Without further qualifying our opinion, we draw attention to Note 19 i) to the accompanying consolidated financial statements which describes that there are uncertainties regarding the ability of the subsidiary EnergoNuclear S.A. to continue as a going concern. On 25 November 2013 the Company signed a letter of intention with China General Nuclear Power Group ("CGN"), as CGN has expressed its interest to become the majority shareholder of EnergoNuclear S.A. provided it is satisfied with the investment conditions. EnergoNuclear S.A.'s future operations in conjunction with nuclear units 3 and 4 is dependent upon obtaining adequate sources of financing.

#### *Other Matters*

- 9 This independent auditors' report is made solely to the Company's shareholders, as a body. Our audit work has been undertaken so that we might state to the Company's shareholders those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's shareholders as a body, for our audit work, for the report on the consolidated financial statements and the report on conformity, or for the opinion we have formed.

## **Report on Conformity of the Administrators' Consolidated Report with the Consolidated Financial Statements**

In accordance with the Order of the Minister of Public Finance no 1286/2012 and related amendments, article 30 letter c) of the accounting regulations in accordance with International Financial Reporting Standards, applicable to companies whose securities are traded on a regulated market, we have read the Administrators' Consolidated Report. The Administrators' Consolidated Report is not a part of the consolidated financial statements. In the Administrators' Consolidated Report we have not identified any financial information which is not in accordance, in all material respects, with the information presented in the accompanying consolidated financial statements.
