Vote by representative, based on special power of attorney

Shareholders may participate personally or may be represented in OGMS by a designated representative ("Proxy") who was issued a special power of attorney, based on the representation form provided by the Company, according to art. 92 par. (12) of Law no. 24/2017. The power of attorney form may be obtained starting with **27.04.2020 hours 18:00** from the Company's Registration Office and from the Company's website (www.nuclearelectrica.ro). The power of attorney form shall be updated if new items are added on the OGMS agenda.

The special powers of attorney must be filed in by the shareholder (in three original copies: one form for the shareholder, one for the proxy and one for SNN), they must be signed and contain

specific voting instructions for each item on the OGMS agenda for which the Proxy is going to vote in the name of the shareholder, clearly specifying the voting option (i.e. vote “for”, “against” or “abstain”). One shareholder may be represented in the OGMS by only one Proxy, having a special power of attorney granted for the OGMS dated **28.05.2020**.

The special power-of-attorney shall be accompanied by the following documents:

a) **for individual shareholders:** copy of the shareholder’s identity document, that shall permit his/her identification on the list of SNN shareholders valid on the reference day and issued by S.C. Depozitarul Central S.A. and copy of the representative’s identity document (ID or IC for the Romanian citizens, or passport for foreign citizens, with PIN (personal identity number) - if it exists in their country of origin);

reference date, received from Depozitarul Central S.A. However, if the shareholder did not inform the Central Depository in time about his legal representative or is this information not mentioned in the list of SNN shareholders valid at the reference date received from the Central Depository, the confirmation of company details/the aforementioned similar documents must serve as proof of the shareholder’s legal representative;

c) the documents presented in a foreign language (excepting the identity documents valid on the territory of Romania, written with Latin letters) shall be accompanied by a certified translation into the Romanian or English language. The documents proving the capacity of legal representative drafted in a foreign language, other than the English language, shall be accompanied by a translation into the Romanian or English language, performed by a certified translator. SNN shall not require the legalization or apostille of documents which prove the capacity of legal representative of the shareholder.

The special power of attorney is valid only for the GMS for which it has been requested; the representative is required to vote in compliance with the instructions formulated by the empowering shareholder, under sanction of vote cancellation.

Generally a shareholder may mandate only one representative to represent him/her in GMS. However, the power-of-attorney may name one or more alternative representatives to ensure the representation in the general meeting, for the case in which the main representative named above cannot fulfill his mandate. The **special power of attorney** for participation and vote within the general meeting of shareholders, issued to a credit institution which performs **custodial services**, shall be valid without the presentation of additional documents related to the shareholder concerned, if the special power of attorney is prepared in compliance with art. 201 of Regulation 5/2018, signed by such shareholder and accompanied by an affidavit of the credit institution which received the representation empowerment by means of the special power of attorney, which shall state that:

- the credit institution performs custodial services for the shareholder;
- the instructions specified in the special power of attorney are identical with the instructions in the SWIFT message received by the credit institution in order to vote on behalf of the shareholder;
- the special power of attorney is signed by the shareholder.

The special power of attorney and the custodian's declaration mentioned above should be submitted to SNN, in original, within 48 hours before the GMS, signed, and if applicable, stamped, without fulfilling other formalities regarding the form of these documents.

The ballot papers, that are not received at the Company's Registration Office or by e-mail until the date and time mentioned above, shall not be taken into consideration to determine the quorum and majority in the OGMS.

When filling in the special powers of attorney and Ballot Papers, please take into consideration the possibility that the OGMS agenda may be supplemented with new items, in which case the amended agenda shall be published by **15.05.2020**. In this case, the updated special powers of attorney and Ballot Papers can be obtained from the Company's Registration Office and from the Company's website (www.nuclearelectrica.ro) starting with the date of publication of the supplemented agenda.

If the agenda shall be supplemented and the shareholders do not send the up-to-dated special powers of attorney and/or ballot papers for the vote through correspondence, the special powers of attorney and ballot papers sent prior to the date the agenda has been supplemented shall be taken into account only for the items that are also to be found on the supplemented agenda.

Checking and validating the special powers-of-attorney submitted, as well as the certification, checking, validating and record of the votes expressed through correspondence shall be done by a commission set within the Company, the members of this commission shall keep safe the documents, and confidential the votes expressed in this way. The powers-of-attorney shall be verified also by the OGMS secretary.

If the shareholder expressing his/her vote through correspondence participates personally or by a representative to the general meeting, the vote through correspondence expressed for that general meeting shall be annulled. In this case, only the vote expressed personally or by representative shall be taken into consideration.

If the person representing the shareholder by his/her personal presence in the general meeting is another person than the one who expressed the vote through correspondence, then, in order for his/her vote to be valid, the person shall submit in the general meeting, a written revocation of the vote expressed through correspondence, signed by the shareholder or by the representative who expressed that vote through correspondence. If the shareholder, or his/her legal representative, is present at the general meeting, this is not necessary anymore.

In compliance with art. 92, paragraph (19) of Law 24/2017, if the agenda of GMS contains resolutions which require secret voting, the vote of the shareholders participating in person or by means of a representative, as well of those who vote by correspondence will be expressed by means which allow the unveiling of the vote only to the members of the secretariat in charge with counting the expressed secret votes and only at the moment in which the other secret votes expressed by the present shareholders or by the representatives of the shareholders participating in the meeting are known. In case of vote by representative, the unveiling of the vote to the representative, prior to the general meeting of shareholders, does not represent a breach of the request regarding the secrecy of the vote.
