In period 01.04.2020 (inclusively) – 30.06.2020 (inclusively), no transactions between SNN and individuals were identified, so that there was no need to check the conclusion of transactions with directors, managers and employees of the company. Also, currently there are no control tools for the transactions concluded with the husband or wife, with relatives or in-laws up to the 4th degree, including those of persons specified in par. (1), but, given that there are no transactions concluded with individuals, there is no question of the existence of such transactions in the reported time interval.

Reporting

The above transactions should be reported in the form of a supply of information during the next meeting of the General Meeting of Shareholders of SNN.
