

## **Annual report regarding the sponsorships granted by the company in 2020**

### **Recitals**

Societatea Nationala Nuclearelectrica SA (“SNN”) deems that the involvement in supporting activities performed by non-governmental and non-profit associations or eligible institutions in virtue of the applicable legislation, which have a beneficial impact on a significant number of people, is important. According to the corporate social responsibility statement of SNN, published on the company website, the activities supported by SNN are mainly related to the energy field, and also those related to the active involvement in organizations that promote nuclear energy, sustainable public policies in the economic and energy fields, such as professional or academic associations involved in promoting culture and education.

According to the provisions of the corporate social responsibility statement, in 2020 the activities supported by SNN by granting sponsorships were mainly those related to the medical field, given the SARS-COV-2 pandemic, and also related to the energy field, supporting and promoting youth, culture and education, scientific activities, artistic activities related to the national patrimony, humanitarian activities, and for helping children in difficulty. According to the strategic directions approved by the managers of the company, SNN has extended its program of charity activities, in order to cover the punctual requests received from various organizations aligned with the objectives and interests of SNN, with major-impact and long-term projects in social areas which require investments.

After receiving sponsorship requests from non-governmental and institutional associations and after they were analyzed on the SNN executive level, in 2020 the Board of Directors of SNN approved the granting of 33 sponsorships, according to the Revenue and Expense Budget of SNN for 2020. Given the epidemiological context our country faced in 2020, most of the projects sponsored by SNN are included in the medical and educational field, by fitting hospital units with the necessary equipment and devices for stopping the spread of the Sars-COV-2 virus and for supporting remote education.

All 33 sponsorships granted by SNN in 2020 benefitted 2,417,466 people. They were in the following categories:

- Medical: 11 sponsorship
- Social: 4 sponsorship
- Educational: 9 sponsorship
- Cultural: 3 sponsorship
- Other sponsorship: 5 sponsorship.

According to the Revenue and Expense Budget approved for 2020, by the Resolution of the General Assembly of Shareholders of SNN no. 3/05.03.2020, the budget allocated for sponsorship expenses was RON 10,000,000. In total, from the amount budgeted for sponsorships for 2020, of RON 10,000,000, the amount of RON 9,837,822.39 was used, the equivalent value of a budget implementation of 98.37%. All the sponsorships granted by SNN in 2020 can be deducted from the profit tax payable by the company.

All the projects funded by SNN benefitted from media exposure on the main mass communication channels, and on social media. The promotion of SNN as a company involved in these projects was ensured by press interviews and articles, the publication of announcements on the websites of the sponsorship beneficiaries and on their social media channels (Facebook, LinkedIn), featuring the SNN brand on the equipment and products purchased by the sponsorship, the circulation of the sponsorship information within the beneficiary institution and at the events that were financed by the company. Considering that many sponsorship contracts concluded between SNN and the beneficiaries are still in progress, the projects of promoting SNN as a financing party will continue in 2021, until the expiry of the contractual term.
