Important event to be reported: Cernavoda NPP Unit 1 operates at nominal power

SN Nuclearelectrica SA informs the shareholders and investors that Unit 1 of Cernavoda NPP operates at nominal power, the works related to adapting the functioning parameters of the turbine condenser due to accumulation of water impurities having been completed.

We remind you that the power reduction of Cernavoda NPP Unit 1 occurred during the night of August 23, 2022 and on August 24, 2022 and it was necessary in order to carry out works to adapt the functioning parameters of the turbine condenser (classical part of the power plant) due to accumulation of impurities in the water (algae, mud).

The power reduction and completion of works were carried out in compliance with Cernavoda NPP specific procedures and had no impact on personnel, nuclear safety, environment and population.
