6. MAIN RISKS AND UNCERTAINTIES FOR THE FOLLOWING 6 MONTHS OF THE FINANCIAL YEAR 2022

There are no risks and uncertainties for the following 6 months of financial year 2022, other than those related to the basic activity, identified and presented in this report. The Company estimates that it will obtain at least the profit budgeted for the current year, by the Revenue and Expense Budget approved by the OGMS Resolution no. 3 / 23.02.2022.

In February 2022, an armed conflict broke out between Russia and Ukraine, which affected the economies of the two countries and resulted, among others, in a significant flow of refugees from Ukraine to neighboring countries (including Romania), and several sanctions imposed by the international community on Russia and some Russian-origin companies. The medium-term and long-term of this conflict and of the sanctions imposed on Russia cannot be currently anticipated with sufficient accuracy. Considering that the Company does not have activities significantly relying on the area under conflict or affected by sanctions (especially Russia, Ukraine, Belarus), nor regarding purchases or sales, we believe that the ability of the Company to continue its business in the foreseeable future shall not be significantly impacted.
