Important event to be reported: Controlled shutdown of Cernavoda NPP Unit 1

S.N. Nuclearelectrica SA (“SNN”) informs its shareholders and investors that Cernavoda NPP Unit 1 will be shut down in a controlled manner, on the morning of October 16th, 2022, in order to carry out adjustment activities of certain parameters and protection limits of the electric generator.

The controlled shutdown of Cernavoda NPP Unit 1 is performed according to the procedures applicable in case of such situations and it is necessary in order to allow Cernavoda NPP staff to perform the adjustment activities.

The unfolding of the mentioned activities has no impact on the nuclear safety, environment, personnel or population.

SNN will issue a press release when the adjustment works are completed, at the moment when Unit 1 will be reconnected to the National Energy System.
