Important event to be reported: Controlled shutdown of Cernavodă NPP Unit 2

SN Nuclearelectrica SA announces that Unit 2 of the Cernavodă NPP will be shut down in controlled mode in the night of 29 of December 2023 to carry out remedial work at the classical part of the Unit 2.

The controlled shutdown of Unit 2, as well as the remedial works will have no impact on the nuclear safety of the reactor, the personnel of the NPP, the population and the environment, and will be carried out safely, in accordance with the specific procedures of the Cernavodă NPP applicable in these situations.

SN Nuclearelectrica SA will return with a press release when Unit 2 is reconnected to the National Energy System after the finalization of the remedial works.
