meeting convening notice, allowing their identification in the list of SNN shareholders on the reference date, issued by S.C. Depozitarul Central S.A.;

The capacity of a legal representative shall be ascertained based on the list of SNN shareholders valid on the reference date, received from Depozitarul Central S.A. However, if the shareholder did not inform the Central Depository in time about his legal representative (so that the Shareholders' register shows this fact at that particular date), than the confirmation of company details/similar documents aforementioned must prove the shareholder's legal representative; for the Romanian State, the capacity of legal representative of the Ministry of Energy is proven by the copy of the appointment decree issued by the President of Romania (copy of the Official Gazette is has been published in or excerpt of a legislative program).

For all afore mentioned situations, the documents presented in a foreign language (excepting the identity documents valid on the territory of Romania, written with Latin letters) shall be accompanied by a certified translation into the Romanian or English language. The documents proving the capacity of legal representative drafted in a foreign language, other than the English language, shall be accompanied by a translation into the Romanian or English language, performed by a certified translator. SNN shall not require the legalization or apostille of documents which prove the capacity of legal representative of the shareholder.

When calculating the quorum for the OGMS/EGMS, shares for which the shareholder expresses his/her vote in the general meeting of shareholders by expressing "abstain" options as well as shares for which the shareholder does not express a voting right are taken into account. When calculating the majority of votes cast in the general meeting, the majority of votes cast by "abstaining" votes shall be taken into account, in the sense that if the majority of votes cast are "abstaining" votes, the resolution shall not be deemed to have been approved by the shareholders, as the number of votes required for a resolution to be passed has not been reached.

Vote by representative, based on special power of attorney

Shareholders may participate personally or may be represented in OGMS/EGMS by a designated representative ("Proxy") who was issued a special power of attorney, based on the representation form provided by the Company, according to art. 105 par. (12) of Law no. 24/2017. The power of attorney form may be obtained starting with **12.03.2024 hours 18:00** from the Company's Registration Office and from the Company's website (www.nuclearelectrica.ro). The power of attorney form shall be updated if new items are added on the OGMS/EGMS agenda.

The special powers of attorney must be filed in by the shareholder (in three original copies: one form for the shareholder, one for the proxy and one for SNN), they must be signed and contain specific voting instructions for each item on the OGMS/EGMS agenda for which the Proxy is going to vote in the name of the shareholder, clearly specifying the voting option (i.e. vote "for", "against" or "abstain"). One shareholder may be represented in the OGMS/EGMS by only one Proxy, having a special power of attorney granted for the OGMS/EGMS dated **17.04.2024**.

The special power-of-attorney shall be accompanied by the following documents:

a) **for individual shareholders:** copy of the shareholder's identity document, that shall permit his/her identification on the list of SNN shareholders valid on the reference day and issued by S.C. Depozitarul Central S.A. and copy of the representative's identity document (ID or IC for the Romanian citizens, or passport for foreign citizens, with PIN (personal identity number) - if it exists in their country of origin);

b) **for legal entity shareholders:**

However, if the shareholder did not inform the Central Depository in time about his legal representative or is this information not mentioned in the list of SNN shareholders valid at the reference date received from the Central Depository, the confirmation of company details/the aforementioned similar documents must serve as proof of the shareholder's legal representative;

The special power of attorney is valid only for the GMS for which it has been requested; the representative is required to vote in compliance with the instructions formulated by the empowering shareholder, under sanction of vote cancellation.

Generally a shareholder may mandate only one representative to represent him/her in GMS. However, the power-of-attorney may name one or more alternative representatives to ensure the representation in the general meeting, for the case in which the main representative named above cannot fulfill his mandate. If more alternative representatives are assigned by the power-of-attorney, there shall be set the succession in which they are to exercise their mandate.

The representatives of the company cannot receive power of attorney in order to represent shareholders in the OGMS/EGMS. The regulations regarding the organization and unfolding of the general meeting of shareholders shall detail the voting by representative procedure, the shareholders having the obligation to comply with such regulations, under sanction of losing their voting right by representative in the OGMS/EGMS.

The **special power of attorney** for participation and vote within the general meeting of shareholders, issued to a credit institution which performs **custodial services**, shall be valid without the presentation of additional documents related to the shareholder concerned, if the special power of attorney is prepared in compliance with art. **201** of Regulation 5/2018, signed by such shareholder and accompanied by an affidavit of the credit institution which received the representation empowerment by means of the special power of attorney, which shall state that:

- the credit institution performs custodial services for the shareholder;
- the instructions specified in the special power of attorney are identical with the instructions in the SWIFT message received by the credit institution in order to vote on behalf of the shareholder;
- the special power of attorney is signed by the shareholder.

The special power of attorney and the custodian's declaration mentioned above should be submitted to SNN, in original, within 48 hours before the GMS, signed, and if applicable, stamped, without fulfilling other formalities regarding the form of these documents.
