Vote by representative, based on special power of attorney

Shareholders may participate personally or may be represented in OGMS/EGMS by a designated representative ("Proxy") who was issued a special power of attorney, based on the representation form provided by the Company, according to art. 105 par. (12) of Law no. 24/2017. The power of attorney form may be obtained starting with **17.06.2024 hours 18:00** from the Company's Registration Office and from the Company's website (www.nuclearelectrica.ro). The power of attorney form shall be updated if new items are added on the OGMS/EGMS agenda.

The special powers of attorney must be filed in by the shareholder (in three original copies: one form for the shareholder, one for the proxy and one for SNN), they must be signed and contain specific voting instructions for each item on the OGMS/EGMS agenda for which the Proxy is going to vote in the name of the shareholder, clearly specifying the voting option (i.e. vote "for", "against" or "abstain"). One shareholder may be represented in the OGMS/EGMS by only one Proxy, having a special power of attorney granted for the OGMS/EGMS dated **18.07.2024**.

The special power-of-attorney shall be accompanied by the following documents:

The special power of attorney is valid only for the GMS for which it has been requested; the representative is required to vote in compliance with the instructions formulated by the empowering shareholder, under sanction of vote cancellation.

Generally a shareholder may mandate only one representative to represent him/her in GMS. However, the power-of-attorney may name one or more alternative representatives to ensure the representation in the general meeting, for the case in which the main representative named above cannot fulfill his mandate.
