Vote by representation based on special power of attorney

The shareholders can participate personally or they can be represented in the OGMS by an appointed representative (“Representative”) for whom a special power of attorney was issued, based on the power of attorney form made available by the Company, in compliance with the laws. The power of attorney form can be obtained starting with the date of **15.05.2015, 18:00 hours** from the Company’s Registration Office and from the Company’s website (www.nuclearelectrica.ro). The power of attorney form shall be updated if new items on the OGMS agenda are added.

The special power of attorneys must be filled in and signed in three copies (one for the shareholder, one for the representative and one for the Company) and they must contain specific voting instructions for each item on the OGMS agenda for which the Representative will vote on behalf of the Shareholder (namely vote “for”, “against” or “abstain”). A shareholder may be

represented in the OGMS solely by one Representative having a power of attorney issued for the OGMS of **15.06.2015**.

The special power of attorney will be accompanied by the following documents:

a) **For natural persons:** copy of the identity card of the shareholder which permits the identification in the list of SNN shareholders issued by SC Depozitarul Central SA at the reference date and copy of the identity card of the representative (BI or CI for Romanian citizens), or passport, for foreign citizens with personal code number – if applicable in the country of origin);

The special power of attorney is valid only for the GMS for which they have been requested; the representative is obliged to vote in compliance with the instructions formulated by the empowering shareholder, under sanction of vote cancellation

Generally, a shareholder may empower a single representative to represent him in the GMS.
