As per the provisions of the Fiscal Code in force, the applicable standard dividend tax is of 5% from the gross amount of dividends, with the exceptions regarding the dividend tax exemptions provided distinctively. At the same time, the non-resident shareholders may benefit of a more favorable dividend tax, as per the provisions of the Fiscal Code and the conventions for the avoidance of double taxation concluded between Romania and the residence state of the respective shareholder, on the basis of the valid tax residency certificate submitted by the non resident shareholder.

The non-resident shareholders, who have bank accounts opened with the Participants (Broker/Custodian Bank) as well, respectively, those who don't have bank accounts opened with the

Participants (respectively, the ones who opt for payment methods under items 2 and 3 above) and who wish for the application of the more favorable provisions of the Double Tax Treaty concluded between Romania and their country of residence, must send or submit, either through the Participant if they have an account opened with a Participant or directly, if they don't have an account opened with a Participant, at SN Nuclearelectrica S.A. headquarters on 65 Polona street, District 1, Bucharest, ZIP 010494, for the attention of the Communication and Investors Relations Department, until **23.10.2017**, inclusive, the valid tax residency certificate for the year of the dividend payment, **in original or legalized copy**, with apostille/supra-authentication, if applicable, accompanied by the authorized translation, as well as contact details for possible clarifications regarding the tax residency certificates. If after the verification of the tax residency certificate and the more favorable provisions of the Double Tax Treaty it results that a more favorable rate, provided in the Double Tax Treaty, may be applied, then on the payment date, 03.11.2017,, the shareholders in question will receive the net dividends with the application of that quota. Otherwise, SNN will retain the standard dividend tax provided by the Romanian Fiscal Code.

In case the tax residency certificate together with “the application for back transfer of the net dividends distributed by SNN – Legal persons/other entities” are presented after **23.10.2017**, but not later than **15.12.2017**, **SNN will retain, on the payment date (03.11.2017), the standard dividend tax provided by the Romanian Fiscal Code**, following that any remaining tax due to the shareholders be paid after the submission and verification of the documentation, if after the reception and verification it results that the shareholder is entitled to a lower rate of tax than the standard one provided by the Romanian Fiscal Code.

SNN reserves its right to ask the shareholders/representatives for additional documents following the analysis of the application for dividend payment. The tax residency certificate together with the supporting documentation may also be submitted at the payment agent BRD offices **starting on the payment date (03.11.2017) or sent by mail, through certified letter, to: „Directia Titluri – BRD METAV – Corp A2, 67-77 Biharia street, District 1, Bucharest”**.

The tax residency certificates submitted by the Participants after **23.10.2017** for the shareholders that they represent, may be submitted at SN Nuclearelectrica S.A., 65 Polona Street, District 1, Bucharest, ZIP 010494. The Participants shall mention on the letter of submission of the above mentioned fiscal documents, the fact that they refer to the shareholders of SN Nuclearelectrica S.A. and to the dividends distributed as per the provisions of art. II and art. III of the Government Emergency Ordinance no. 29/2017, indicating the list of shareholders for which the fiscal documents are submitted, list which must contain: the full name of the shareholder (in case the name in the Shareholders' Registry is different from the one mentioned in the fiscal documents, explanations will be given in the “Other observations” section), the identification code of the shareholder in compliance with the identification code submitted to Depozitarul Central (i.e. NIN), the number of shares owned at the registration date, other observations.

In case the supporting documents are issued in another language than Romanian and/or are issued by foreign authorities, they must be submitted with apostille/supra-authentication, if applicable, as well as in Romanian legalized translation.

The creditation of the shareholders' bank accounts depends on the inter-banking circuit and the chain of corresponding banks.
