In compliance with the provisions of the Tax Code in force, the standard tax rate applicable to dividend income is 5% of the gross amount of the dividends, with the exceptions relate to the non-taxation of dividend income being provided separately. Furthermore, non-resident shareholders may benefit from a different, more favorable, tax rate in compliance with the provisions of the Tax Code and Double Taxation Conventions concluded between Romania and the state of residence of that shareholder, based on the valid certificate of tax residence submitted by the non-resident shareholder.

Non-resident shareholders who have an account opened with the Participants (Broker/Custodian Bank) and those who do not have an account opened with the Participants, respectively (i.e. those who chose the methods referred to under points 2 and 3) who wish to apply the more favorable provisions of the Double Taxation Convention concluded between Romania and their country of residence should send or submit either through the Participant if they have an account opened with the Participant or directly, in case they do not have an account opened with the Participant, at the SN Nuclearelectrica SA headquarters in 65 Polona St, District 1, Bucharest, postal code 010494, in the attention of the Department of Communication and Relations with Investors, until **14.06.2018, inclusive, the certificate of tax residence for the year in which the payment of the dividends takes place, **within the term of validity, in original or certified copy** with apostille/with superlegalization, if the case may be, accompanied by an authorized translation, as well as contact details for any clarifications regarding the certificates of tax residence. If, following the verification of the certificate of tax residence and the provisions of the Double Taxation Convention, it results that the more favorable rate set out in the Double Taxation Convention may be applied, on the date**

of payment, 28.06.2018, the shareholders in question will receive the net dividends with the application of that rate. Otherwise, the standard rate in force provided by the Romanian Tax Code shall apply.

In the event of submission of the certificate of tax residence, together with a request for payment through bank transfer of the net dividends distributed by SN Nuclearelectrica S.A., after the date of **14.06.2018**, but not later than **14.12.2018**, **SNN shall withhold on the date of payment (28.06.2018) the dividend tax in force provided by the Romanian Tax Code**, with any tax difference due to the shareholder being paid subsequently to the transmission and verification of the documentation, if following the receipt and the verification thereof it results that it would be entitled to a lower tax rate than the standard one laid down in the Romanian Tax Code.

SNN reserves the right to request additional documentation from the shareholder/its proxy, following the analysis of the application requesting the distribution of dividends.

The certificates of tax residence submitted by Participants after **14.06.2018** for the shareholders these are representing may be submitted at the SNN headquarters in 65 Polona Street, District 1, Bucharest, postal code 010494. Participants shall mention in the submission address of the afore-mentioned documents, the fact that these refer to shareholders of SNN and the dividends related to the financial year 2017, indicating the list of shareholders for whom the tax documents are being submitted, list that shall include: the full name of the shareholder (for the situations where the name in the Register of Shareholders is different than the one mentioned in the tax documents, the reasons/explanations of these differences shall be noted under the heading "Other comments"), the shareholder's identification code in compliance with the identification code sent to the Central Depository (i.e. NIN), number of shares held on the Registration date.

If the supporting documents are issued in a language other than Romanian and/or issued by foreign authorities, these should be submitted with apostille/superlegalization, if applicable, as well as in a certified translation into Romanian.

In compliance with Law no. 207/2015 on the Fiscal Procedure Code, as well as the Order of the President of the National Agency for Fiscal Administration no. 3725/19.12.2017 for the approval of the tax registration forms of taxpayers and the types of tax liabilities that form the fiscal vector, the shareholders of SN Nuclearelectrica SA who are **individuals, as well as non-resident legal entities have the obligation to register in Romania for tax purposes**, by submitting with the competent tax authorities in Romania of the Tax Registration Statement 015 (for non-resident legal entities) and 030 (for non-resident individuals) in order to obtain the tax identification code.

Statement 015 (for non-resident legal entities) and Statement 030 (for non-resident individuals) will be submitted at the registry of the competent tax authority in Romania either directly (legal representative), through proxy or through the income payer.
